ABOUT ERIK

LEARN A LITTLE ABOUT ME AND MY PASSION FOR BUILDING RELATIONSHIPS AND CAPTURING AMAZING MOMENTS

I'm Erik Esparza, the founder and lead storyteller behind Ezekiel. My journey began at 14 when developing my first roll of black-and-white film sparked a passion for preserving meaningful moments. Over 17 years, that spark has grown into a dedication to crafting authentic, elegant, and purposeful narratives.

My background as a therapist has deeply influenced my approach to the art of human connection and empathy as a guide for capturing relaxed, authentic emotions and personal stories. Together with my passion for fashion, color, and composition, this approach shapes the artistry behind every image I create.

Collaboration is at the core of my work. My wife, a former top wedding planner, has inspired a planning and storytelling process that we weave into every event. This approach has led to features in esteemed publications like The Knot, South Asian Bride Magazine, Weddings & Honeymoon Magazine, and Chilled Magazine. Yet, the most extraordinary privilege is our clients' trust in us to capture their most important moments.

At Ezekiel E, my mission is to create awe-inspiring imagery that resonates and inspires, driven by the relationships I build with my clients. Every connection is at the heart and soul of my creative process, providing endless inspiration and meaning to my work. Whether it's a luxurious wedding, an engagement, or a bold vision for a portrait session, the people I collaborate with bring real magic to each project, making every image a testament to their investment and unique stories.

STYLE TIP

WHILE IT IS GREAT TO COMPLIMENT YOUR FUTURE SPOUSE IN PHOTOS, BY NO MEANS DO THE TWO OF YOU NEED TO WEAR MATCHING OUTFITS. IF YOUR OTHER HALF IS MORE COMFORTABLE IN SOLID COLORS, TRY CHOOSING SOMETHING WITH A LITTLE TEXTURE. PATTERNS ARE A GREAT WAY TO ADD CONTRAST TO YOUR IMAGES. BE CREATIVE, AND LET YOUR UNIQUE PERSONALITY SHINE THROUGH!

A photograph of a stone wall covered in dense green ivy. A white text box with a thin black border is centered on the wall. The text inside the box is in all caps and reads: "WE HAD A GREAT TIME WORKING WITH ERIK. HE WAS FLEXIBLE AND A GREAT CREATIVE DIRECTOR MAKEING THE SESSION A LOT LESS AWKWARD. BOTH OUR ENGAGEMENT AND WEDDING PHOTOS TURNED OUT BEAUTIFUL". Below the text box, the name "-Kate" is written. To the right of the name, there is a small, light-colored rectangular object, possibly a house number, with the text "897-1917" on it. The background shows a stone wall with a pattern of irregular stones, and a dense green hedge at the bottom. A small black metal railing is visible on the left side.

10 Wedding Day Pro Tips :)

1. CREATE A SHOT LIST FOR US

Let us guide you in creating a shot list together before your wedding day.

2. THE IMPORTANCE OF A TIMELINE TO GET THE BEST FROM OUR SERVICE

Make sure you talk us through your shot list and coordinate photo sessions in your timeline for couples' portraits, wedding parties, family, and any other specific requests.

3. PREPARE AND GATHER ITEMS FOR DETAIL SHOTS

The rings, bouquets, wedding invitations, jewelry, boutonnieres, shoes, and cufflinks are all small details that add fabulous nuances to the story! Make sure to keep them close!

4. CONSIDER HAVING A "FIRST LOOK" MOMENT BEFORE THE CEREMONY

A first look allows extra time for a few portraits while you are fresh and looking your best, which may otherwise be moved off to later in the day or evening.

5. HIRE VENDORS YOU TRUST – COMMUNICATION COUNTS!

Introducing everyone to each other at the before-event with a simple email, text thread, or even a video call goes a long way. Communication is key.

6. ALLOW US TO GUIDE & DIRECT YOU TO THE BEST LOCATIONS AND LIGHT.

This wedding day tip goes hand-in-hand with #5 (putting trust in your vendors). Let us gently guide you toward the optimal light and locations to make you look and feel your best. Trust me, we do our homework when scouting your venue.

7. SCHEDULE TIME FOR A QUICK COUPLE'S SESSION AT GOLDEN HOUR.

Allow at least 20-30 minutes with us, about an hour before sunset, for golden hour and twilight photos. You will not regret it!

8. TRUST YOUR PHOTOGRAPHER'S CREATIVITY

One of my favorite photos was when I made the couple pause and kiss when they walked back up the aisle. It has since been my trademark capture.

9. EMBRACE THE UNEXPECTED

The day will go by like a whirlwind; your enjoyment will make for the best photos and memories to keep forever!

10. BE YOURSELVES AND HAVE SOME DAMN FUN!

SMASH CAKE IN YOUR PARTNER'S FACE! WHISPER ALL THE DIRTY SECRETS. GET DOWN ON THE DANCE FLOOR LIKE NO ONE'S WATCHING! LIGHT SPARKLERS AND SKIP UNDER THE STARLIT SKY. POP BOTTLES TAKE SHOTS AFTER ALL THE FORMAL PHOTOS HAVE BEEN TAKEN, OF COURSE), AND MAKE FACES AT YOUR BEST FRIENDS. ENJOY THE NIGHT AND HAVE THE MOST LEGENDARY CELEBRATION EVER!

Remember... Relax and Enjoy the Day!
