Event Details + Add-Ons + Deliverables

Notes: The photographer will travel to the agreed-upon event location. The quote includes both wedding photography services, travel, lodging, and expenses.

Addons: See the wedding photography brand book for additional services such as a 2nd photographer, drone photography and more...

Deliverables: The images will take up to three weeks to finalize. Upon completion, private gallery access will be shared with the client, enabling downloads, printing, and sharing. Custom wedding album design also available upon request.
